CALL FOR PAPERS

Paper Submission Deadline: May 15 for July Issue and November 15 for January Issue

Publication Date: 15th July and 15th January

Dear Scholars and Professionals,

HYDRO Nepal, Journal of Water, Energy and Environment, is published by MEDIA for ENERGY NEPAL PVT. LTD. twice a year in January and July. The journal is the first of its kind in Nepal and circulates internationally. In 2009, **HYDRO Nepal** received an India Power Awards 2009 from the Council of Power Utilities of India (CPU).

The Journal provides a common platform to professionals and experts for engaging in a fruitful exchange of ideas, knowledge and insights for sound, sustainable and environmentally-friendly development of water resources and hydroelectric power projects.

In addition, the journal is an invaluable source of information and scholarship for professionals, students, businesses, developers, donors, financiers and anyone associated with water resources, environmental issues, hydropower, and/or renewable energy development.

The Journal's board is comprised of prominent international and national personalities.

HYDRO Nepal welcomes original manuscripts, research papers, review papers, and case studies from researchers, academics, and professionals around the globe.

HYDRO Nepal is an international bi-annual online open access journal. We publish articles in English in all areas of Water, Energy and Environment and related disciplines. We welcome the submission of manuscripts that meet the general criteria of significance and scientific excellence.

We invite you to submit your manuscript as e-mail attachment to the editorial office at: hydro.nepal.journal@gmail.com with the following information:

- Your name and institution with full address;
- Title of your paper and article;
- A brief of author and a color photograph.

The following types of research papers are considered for publication:

- Original articles in basic and applied research,
- Case studies,
- Critical reviews, surveys, opinions, commentaries and essays.

Our objective is to inform authors of the decision on their manuscript(s) within two weeks of submission. Following acceptance, a paper and article will normally be published in the upcoming issue of the journal, though, in rare cases, we may defer your paper to a later issue depending on our content needs.

We invited you to kindly support this initiative by:

- Sending us your research papers, articles; and
- By telling a colleague about us.
